## Event Management

**“Can you help us with an event for our top clients?”**

***“Yes we can ”***

When we were asked by one of our insurance clients to help with a client incentive event, we knew we had to create something extra special. This wasn't just an event; this was an unforgettable, luxury event for 43 delegates, lasting four days, and filled with magical moments.

With a lead time of four months, the GlobalStar team identified Mauritius as the perfect destination. Every detail of the four days was planned and curated to provide nothing short of a luxury, VIP service and experience that included fine dining, tours, gala dinners and a beach party.

**“The event was seamless. Everyone had an unforgettable trip and went home motivated to achieve more so they are invited again next year!”**
